

Payments & Meal Prices

Skyward is the computerized prepayment system for school meals in our district. Students use Pin Number to access their account in the lunch line. Each child in your family has an account that is charged to your family account. Skyward is declining balance system, similar to a checking account. Money must be in the account in order to purchase lunch, extra milk or a la carte items. There is no maximum amount that you can pre-pay. Payments can be mailed or sent to school with your child. Payment boxes are located at each of the school offices or by each cafeteria. Payments may also be made online using eFunds. eFunds can be accessed through Skyward Family Access.
