NOVEMBER/DECEMBER 2017

Dear Families,

I want to thank all of you for your attendance at the recent parent teacher conferences. I am always impressed with the commitment that you have in working with the teachers to help your child learn and grow. You are your child's first and most influential teacher. Communication with your child's current teacher is key. So thank you for making the conference time a priority!

Your child's safety is a top priority for our school district. We review our safety plans on a regular basis to make any necessary changes. I want to be certain that we have procedures in place to ensure the safety of all elementary students in both buildings. Please communicate through the school offices with all information regarding your child's arrival or departure from the school building. **If you are picking your child up from school early, you will need to come into the building and sign them out. We will not allow your child to leave school without your approval.** Thank you for following this procedure.

Veteran's Day is next week. We will be honoring veterans during an assembly sponsored by the Lomira Middle School Student Council. Students from Theresa Learning Community will be bused to the assembly, so all elementary students (K-5) can be present. It will be a great opportunity for the elementary students to honor local veterans and learn about Veteran's Day.

Thank you for all that you do to support your child and our schools in the Lomira School District.

Thank you and as always, if you have any questions or concerns, please feel free to contact me.

Sincerely,
Sandy Schaefer
