SEPTEMBER 5	5K- 5 FIRST DAY
SEPTEMBER 11	4K FIRST DAY

Dear Families,

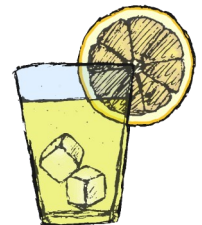

You will be seeing something new in the hallways at both schools this month! It is a sign stating "Welcome to our school... where together we learn every day!" This welcome sign signifies our mission as elementary schools in the Lomira School District. We work together to learn alongside your child(ren) and you! As a staff for the past three years, we have been working on this mission. It started with us as teachers learning together and has grown into a culture that exists in both schools each and every day. We hope you feel the same way we do and support our mission as we work hard each and every day to learn TOGETHER!

This coming week is Teacher Appreciation Week! Please take time to thank our teachers for the great work they do each day. A simple card or note can mean so much! Thank you for taking the time to show your appreciation.

As I write this final newsletter, I am reflecting on all of the wonderful opportunities and experiences that have occurred this school year. Then, I look ahead at all of the exciting events that are still to come... spring concerts, field trips, fun field days... the list goes on and on. Lemonade Day is another one of those fun activities! There are 40 students from our school district who participated this year to run their own lemonade business. We have listed the locations of the lemonade stands at the end of this newsletter so you can visit the stands. The stands will be open from 10:00 am until 2:00 pm on Saturday, May 6. Here is a link for a map of all the Lemonade Stands in the Fond du Lac Area.

https://www.fdlac.com/sft895/lemonade-day-2017_10x16-outlines-accordion-v1.pdf

Enjoy the fun activities that will end a great school year and thank you for all that you do to support our schools!

Sincerely,
 Sandy Schaefer

The Lomira School Board approved the 2017-18 calendar at the December 14, 2016 Board meeting. However, the start date and end date will be revisited if legislation allows school districts to begin prior to September 1. If this legislation passes, all breaks will remain the same, but start date and end date will be updated to begin the week of August 28 and end on May 31.

SUMMER READING PROGRAM

We have some exciting news to share with our students and families about our new Summer Reading Program. In order to keep students motivated to read over the summer, we have created an incentive program. The students will earn points throughout the summer reading books, going on Raz Kids, or even attending events at our local libraries. Students who reach their goals will be able to attend a special celebration when we return to school. We have lots of big plans in the making. We will be explaining the program to the students and notes will be coming home for parents before the end of the school year. Stay tuned!!!!

IMPORTANT PARENT INFORMATION

Please contact your school office for your Skyward Log in and Password. Besides Summer School Registration we will also be having our Fall Registration online beginning on August 1st. Our District web page is updated **frequently** with information about upcoming dates so please check in periodically for these important dates!

www.lomira.k12.wi.us

TLC INFORMATION

The TLC office is closed June 15-August 15. Please contact the Lomira building for assistance 920-269-4396.
