A message from the elementary schools in the

Lomira School District... *where together we learn everyday!*

MAY/JUNE 2018

Dear Families,

Congratulations to Theresa Learning Community for receiving the Title One Recognition Award! Both schools received amazing scores! It is an honor to be able to go to Madison and celebrate our success! There will a ceremony at TLC on Friday, May 18 at 10:30. Everyone is invited to show support and recognize this great accomplishment.

The week of May 7th is Teacher Appreciation Week! Please take time to thank our teachers for the great work they do each day. A simple card or note can mean so much! Thank you for taking the time to show your appreciation.

School safety is our number one priority. I want you to know that as a district, we have trainings with local departments and businesses several times in the school year. In addition, as an elementary staff we discuss procedures and scenarios during monthly staff meetings. Also, each week a safety question is posed to the staff in our weekly Friday Staff Announcements. This weekly question helps to keep procedures fresh in our minds to ensure the safety of our students. Please know that we will continue to evaluate our procedures and examine additional training opportunities.

You recently received a survey that provided information regarding our PTC organizations. Thank you for participating in the survey! We had a great response and the information was helpful. 100% are happy to have a PTC organization for the schools. 64% reported wanting to combine the organizations and 36% were against combining. I am pleased with these results as we have worked diligently as a staff to collaborate together. However, the results are not strong enough to combine organizations. We will keep our PTC organizations separated to support each individual school. Thank to everyone who offered to volunteer!

As I write this final newsletter, I am reflecting on all of the wonderful opportunities and experiences that have occurred this school year. Then, I look ahead at all of the exciting events that are still to come. Enjoy the fun activities that will end a great school year and thank you for all that you do to support our schools!

Sincerely,  
Sandy Schaefer

### SUMMER READING PROGRAM

We have some exciting news to share with our students and families about our new Summer Reading Program. In order to keep students motivated to read over the summer, we will have our summer reading program incentive again! The students will earn points throughout the summer reading books, going on Raz Kids, or even attending events at our local libraries. Students who reach their goals will be able to attend a special celebration when we return to school. We have lots of big plans in the making. We will be explaining the program to the students and notes will be coming home for parents before the end of the school year. Stay tuned!!!!

Come and support our "Lemonade Day" participants this Saturday, May 5th, 2018 from 10:00 am- 2:00 pm. Our entrepreneurs have been working very hard these past two months and would love for you to come and visit their stand. The stand locations are listed below. Thank you for your support!
