

A message from the elementary schools in the Lomira School District....

where together we learn everyday!

## JANUARY-FEBRUARY 2020

Dear Families,

Happy New Year to you all! I hope all families had an enjoyable holiday break. It is so nice to have time to reflect, relax and have fun together during the holidays. As always, we continue to work hard at both elementary schools providing high quality instruction each day, but we also have to have some fun along the way. I always tell the students we work hard so we can play hard!

We will be taking part in Jump Rope for Heart February 19, 20, 21. Your child will bring a packet of information home to share with you. Ms. Kodet, our physical education teacher, will be taking care of this event during gym class. It will be fun and a great way to support the American Heart Association. Thank you to all who donate!

There is also a Fun Day planned for Friday, February 14 where Lomira Elementary School students will be bussed to Theresa Learning Community to play board games and go sledding (weather permitting). The students will be paired together by grade level and will have some time to get to know one another better!

Parent Teacher Conferences are also soon February 17 and 18. This is a great opportunity to share information with your child's teacher. You are your child's most important teacher and we want your input so we can help your child learn while enjoying each day at school.

As always, if you ever have any concerns or questions, please let me know.  
Stay warm and take care,

Sandy Schaefer

### 2020-2021 OPEN ENROLLMENT

The open enrollment application period for the 2020-2021 school year is from February 3, 2020 and ends April 30, 2020 @ 4:00. Parents must submit applications online or directly to the nonresident school district. For more information contact Ann at 269-4396 ext. 107. Online applications are available <https://dpi.wi.gov/oe> It is recommended that you submit your application as early as possible (and online) during the application period. If you miss the deadline, you are still able to apply through the Alternative Open Enrollment Application Process which begins July 1, 2020. Brochures are available with Ann at the administrative office or Tami at the TLC office.
