JANUARY/FEBRUARY 2019

Dear Families,

Happy New Year to you all! I hope all families had an enjoyable holiday break. It is so nice to have time to reflect, relax and have fun together during the holidays.

As always, we continue to work hard at both elementary schools providing high quality instruction each day, but we also have to have some fun along the way. There are several exciting events coming up quickly that I am anxious to share with you!

Both elementary schools will be taking part in the *Pennies for Patients* drive February 11-15. The *Leukemia & Lymphoma Society (LLS)* is the world's largest non-profit health organization dedicated to finding cures for blood cancers. The *Pennies for Patients* program is for elementary and middle schools that would like to support the mission to create a world without cancer by conducting this fundraising campaign. We are excited to take part in this program because we know that kids can make a difference!

There is also a Fun Day planned for Friday, February 22 where Lomira Elementary Students will be bussed to Theresa Learning Community to play board games and go sledding (weather permitting). The students will be paired together by grade level and will have some time to get to know one another better!

As always, if you ever have any concerns or questions, please let me know.
Stay warm and take care,

Sandy Schaefer
