A message from the elementary schools in the Lomira School District....

where together we learn everyday!

MAY/JUNE 2019

Dear Families,

Lemonade Day is Saturday! This program is sponsored by the Fond du Lac Chamber of Commerce and the School District. Our students will experience the joys and tribulations of running a business. The best part is watching how much our students "give back" to the community with their earnings. The program teaches students to SHARE with others through donations, SAVE in your bank account or piggy bank, and SPEND it on something special. I am always so impressed with the amount that our students donate to a variety of organizations.

Next week is Teacher Appreciation Week! Please take time to thank our teachers for the great work they do each day. A simple card or note can mean so much! WE HAVE THE BEST TEACHERS! I feel so fortunate to work with each of them. Thank you for taking the time to show your appreciation.

The spring concerts are right around the corner. The students have been working hard so they can do a great job entertaining you! We look forward to seeing you at the performances! A HUGE THANK YOU TO MRS. EGGERT for all she does for our students!

In June, all students in grades kindergarten through fifth grade will be attending a Doc Spiders Game! This is an amazing opportunity for BOTH of our schools to attend together. A SPECIAL THANK YOU TO BOTH PTCs FOR PAYING FOR THE BUSING AND THE TICKETS TO THE GAME! Thank you to all of the families who support the PTC so we can have experiences like this one!

As I write this final newsletter, I am reflecting on all of the wonderful opportunities and experiences that have occurred this school year. Then, I look ahead at all of the exciting events that are still to come. Enjoy the fun activities that will end a great school year and thank you for all that you do to support our schools!

Sincerely,
Sandy Schaefer
