SEPTEMBER-OCTOBER 2018

Dear Families,

Now that the 2018-19 school year has begun, I'd like to welcome all our students and families to another year of learning and cooperation. Again this school year we are focusing on our school slogan, "Together we learn everyday!" You may have noticed the signs at each school highlighting our school slogan. As an elementary staff, we believe it is important to learn along with our students each and every day. During our assemblies, we sing a cheer that reminds us of our school rules and our slogan. You will notice a bulletin board in each building that will soon display student awards. You are welcome to attend our school assemblies that are scheduled each month. We celebrate the wonderful news and behaviors in our schools! Please feel free to stop in! Check the calendar for the dates.

The Reading Celebration is Thursday, September 27. The students who completed the Summer Reading Program requirements will be going to the Reading Celebration at Theresa Learning Community this year. The K-2 students will be going in the morning (9:00-10:30) and the 3-5 students will be going in the afternoon (1:00-2:30). Students who did not participate will be doing fun literacy activities with their class during that time. Don't worry if your child did not participate this year, they will have an opportunity next summer. If you are interested in volunteering for the event, please let me know.

The Homecoming Parade is on Friday, September 28 at 2:30. Students in grades 5K-5 from both elementary schools, Theresa Learning Community and Lomira Elementary, will be present to view the parade at the end of the school day on September 28. Students from Theresa Learning Community will be bused to Lomira Elementary to be a part of the fun! Students from Lomira Elementary will leave their classrooms to join, as well! **All students will watch the parade with their classroom teachers and be dismissed at the end of the school day at their appropriate school. If you want your child(ren) to observe the parade with you, you must have your child(ren) picked up from their school by these times: Theresa Learning Community 2:00 and Lomira Elementary School 2:15. Once students are outside with their teacher, they will be required to stay with them until the end of the school day. Students will return with their classroom teachers and be dismissed as usual. This process is to ensure the safety of all of our students. So come and join in the fun!**

We will also be having a costume parade at both buildings on Oct. 26. More information will be coming soon explaining the details. Families are welcome to see the costume parade at the end of the school day on Oct 26.

Thank you for your open lines of communication. As always, if you have any questions or concerns, please contact me. I appreciate your honesty and openness.

Sincerely,
Sandy Schaefer

BRIDGING BRIGHTER SMILES

“Bridging Brighter Smiles increases access to preventative oral hygiene care by bringing portable dental equipment right into schools. We offer families peace of mind as we accept the Forward Card (BadgerCare) and **no child is ever turned away due to a lack of financial resources.**”
